Full-Time Research Faculty in Technology Management and Entrepreneurship

Sabancı University, Sabancı School of Management
Istanbul, Turkey

We would like to invite applications for full-time positions in Technology Management and Entrepreneurship immediately for the 2017-2018 academic year. While pre-doctorate candidates will be considered, the ideal candidate will already possess a Ph.D. and a track record of excellence in research and teaching. A teaching or research focus on Strategy, Innovation or Technology will be given priority. Candidates who have a strong background in research methods and a desire to work with entrepreneurial students are preferred. Additional expertise in Technology and Innovation Management or a related field will be considered favorably. The teaching load and salary are competitive and commensurate with qualifications. Faculty also receives annual research budgets, as well as outstanding computer, administrative, and library support.

Teaching will include both undergraduate and graduate courses in Entrepreneurship, Technology Management and Innovation. Candidates should have an existing track record of publishing in top-tier journals or a clear demonstration of the ability to do so, and a Ph.D. in Strategy/Entrepreneurship or a related discipline or field of study. We are particularly interested in individuals who are strong organizational citizens and who are interested in being an active member of a rich academic community.

Sabancı University, a private, innovative academic institution, offers excellent facilities within a modern campus located in suburban Istanbul. The University has a strong emphasis on world-class research and was recently ranked in the Times Higher Education World University Rankings and at top 500 in the QS World University rankings. Sabancı School of Management is one of the top business schools in Turkey. The School of Management is accredited by the AACSB and was ranked among the top 100 Business Schools in the Financial Times World Business School rankings in 2016. Our faculty members are drawn from leading universities in the United States, Canada and Europe. The School offers undergraduate, MBA, Executive MBA, Professional MBA, Masters in Finance and Masters in Business Analytics degrees. It also has a Ph.D. program with specialization options in Organization Studies, Operations Management, Business Analytics and Finance. English is the medium of instruction in all programs. The School holds strategic international collaborations with Columbia Business School and MIT-Zaragoza Logistics Center in Zaragoza, Spain, and runs several centers including Corporate Governance Forum and Entrepreneurship Center.

The faculty within the School has a strong research orientation with a solid publication record in major academic journals such as Strategic Management Journal and Technovation. For further information on the School, please visit: <http://som.sabanciuniv.edu/en>.

Applicants are requested to complete an online application form at <https://crm.sabanciuniv.edu/acadcv/application.php>.
